

## VACANCY

### Mechanical Engineer

Irish Cement Limited is seeking applications for a permanent position of a Mechanical Engineer in Platin Works, Drogheda, Co. Louth.

Irish Cement Limited is a fully owned subsidiary of CRH plc and has manufactured cement in Ireland for over 75 years. It operates two cement-manufacturing facilities, one situated in Platin, approximately 5km from Drogheda, Co. Louth and a second in Castlemungret, Co. Limerick. Production uses the most advanced, energy-efficient technology to create a range of high quality cements to the highest Irish and International standards.

The successful applicant will be based in Platin Works, Drogheda and will be reporting directly to the Works Engineer.

#### Purpose:

This role involves working on large-scale projects dealing with plant maintenance and large-scale plant improvement projects.

#### Large Scale Plant Improvement Projects -

- Involved in construction to installation of new machinery
- Involvement in commissioning of projects.

#### Plant Maintenance

- Involves working as part of the maintenance team
- Planning major shutdowns/ overhauls
- Responsible for a specific plant area during shutdowns
- Responsible for directing contractors on specific jobs/projects (in the particular plant where s/he is assigned)
- Improving plant availability, troubleshooting and successfully resolving maintenance issues in designated areas

## **Standards of Performance**

- Awareness of Health and Safety in heavy industry
- Knowledge of Microsoft Office and Autocad
- Ability to take responsibility for and control large scale projects

### **Candidates should preferably possess:**

The successful candidate should ideally possess:

- Be a qualified Mechanical Engineer
- At least 5 years' experience in a similar role
- Excellent communication, negotiation and interpersonal skills
- Proven technical skills and strong commercial acumen
- Excellent IT skills (MS Office, Autocad)
- Strong attention to detail and capable of working on your own initiative whilst meeting project deadlines
- A work history of contributing and adding value to the overall performance of a previous employer(s)

Outstanding candidates who do not possess all of the above criteria may also be considered. A remuneration package will be provided commensurate with experience

This vacancy provides an exciting opportunity for the successful candidate to join a multi-national organisation with possibilities for progression within Irish Cement and the wider CRH group. CRH is headquartered in Ireland and currently operates in 31 countries with over 3,800 locations and employs 87,000 people. [www.crh.com](http://www.crh.com)
