

**DECLARATION OF PERFORMANCE**  
**No. 0050 – CPR - 0460**

1. Unique identification code of the product-type:  
**GGBS EN 15167-1**
2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4):  
**See 1.**
3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:  
**Preparation of concrete, mortar, grout etc.**
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5):  
**Irish Cement Ltd, Platin, Drogheda, Co. Louth**
5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):  
**Not applicable**
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in CPR, Annex V:  
**System 1+**
7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:  
**Notified product certification body No. 0050 performed the determination of the product-type on the basis of type testing (including sampling), the initial inspection of the manufacturing plant and of factory production control, the continuous surveillance, assessment and evaluation of factory production control and the audit-testing of samples taken before placing the product on the market under system 1+ and issued the certificate of constancy of performance.**
8. Declared performance

Essential characteristics	Performance	Harmonised technical specification
Product Name	Ground Granulated Blast furnace Slag	EN 15167-1
Compressive strength (activity index)	Pass	
Initial Setting time	Pass	
Fineness	Pass	
Composition – Magnesium- Oxide	Pass	
Composition – Sulfide	Pass	
Composition – Sulfate	Pass	
Composition - Chloride	Pass	
Composition – Moisture Content	Pass	
Composition – Loss on ignition	Pass	
Durability	Ground Granulated Blast furnace Slag conforming to EN 15167-1 is deemed to provide a durable concrete when other requirements for durability of concrete in relevant standards and/or regulations in place of use are fulfilled.	
Release of dangerous substances and emissions of radioactivity	No requirements are included in EN 15167-1	

9. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:
