

VACANCY - Logistics Coordinator

Irish Cement Limited is a fully owned subsidiary of CRH plc and has manufactured cement in Ireland for over 85 years. It operates two cement-manufacturing facilities, one situated in Platin, approximately 5km from Drogheda, Co. Louth and a second in Castlemungret, Co. Limerick. Production uses the most advanced, energy-efficient technology to create a range of high-quality cements to the highest Irish and international standards.

Irish Cement Limited is seeking applications for the position of a Logistics Coordinator based in our Head Office in Drogheda, Co. Louth. The successful candidate will be expected to perform logistics and technical marketing duties as necessitated by the requirements of the Sales & Marketing department.

The key responsibilities are:

- Develop and maintain strong relationships with customers and hauliers
- Manage despatch logistics for bagged cement throughout Ireland
- Provide onsite despatch support to customers and hauliers
- Provide relief cover for bulk despatch throughout Ireland
- Manage logistics of delivery and receipt of technical samples
- Administrative support to the Technical Marketing department
- Assist with Reception cover

Candidates should preferably possess:

- Proven ability to manage logistics and build strong relationships with customers and hauliers
- Minimum 3-4 years' experience in a logistics role and/or relevant qualification
- Strong IT skills and ability to work with logistics management systems.
- Excellent communication skills as evidenced by previous work experience
- Exceptional geographical knowledge of Ireland and Northern Ireland
- Flexibility to move between logistics and technical marketing responsibilities
- A work history of contributing and adding value to the overall performance of a previous employer.
- Fluent English speaker, written and spoken.

Outstanding candidates who do not possess all the above criteria may also be considered. This vacancy provides an exciting opportunity for the successful candidate to join a multi-national organisation with business interests in the building materials sector across the world. www.crh.com
